

REMARKS

Claims 10-18 remain pending in the application as there were no changes to the claims..

This amendment is only to include the second priority document of DE 203 06 533.6, filed April 28, 2003, which was overlooked and not mentioned in our Preliminary Amendment dated June 23, 2005, however it was identified in the declaration signed by the inventors.

The application in its amended state is believed to be in condition for allowance. However, should the Examiner have any comments or suggestions, or wish to discuss the merits of the application, the undersigned would very much welcome a telephone call in order to expedite placement of the application into condition for allowance.

Respectfully submitted,

Robert W. Becker, Reg. No. 26,255
